NOTICE

It is notified to all that the concerned Science Departments and IQAC of Gushkara Mahavidyalaya, is going to celebrate ‘World Laboratory Day’ on 5th & 6th May, 2022 at the college premises. A series of events like Seminar, Model Exhibition, Poster Presentation, Photo Exhibition, Debate and Quiz Competition etc. will be held on the same day. All the students of the college are encouraged to actively participate in this programme. The enthusiastic students are requested to contact Dr. Kanika Saha, Sri Rajan Paul, Sri Kartick Chandra Saha, Sri Mukul Biswas and Dr. Piyali Roy for further details.

Programme outline:

- Model Exhibition on General Science (Maximum 2 models per department & School)
- Photo Exhibition: General Science (Open to all; photo size maximum A4)
- Quiz on General Science (Open to all)
- Debate Competition (Interdepartmental) on “Laboratory is Institutional Based”
- Poster Presentation (Maximum 3 posters per department) on Paper with maximum dimensions of 36-inches (height) by 48-inches (width); Flex or hand-made.
- Laboratory Visit / Hands on Training

For Principal
Gushkara Mahavidyalaya
Principal
Gushkara Mahavidyalaya
ORGANIZING COMMITTEE
Patron
Dr. Swapan Kumar Pan
Principal, Gushkara Mahavidyalaya
Vice-Patron
Dr. Sabina Begum
Coordinator of IQAC, G.M.
Convenor
Dr. Sunanda Mondal
Asso. Prof. of Botany, G.M.
&
Dr. Sukhendu Roy
Asst. Prof. of Zoology, G.M.
Treasurer
Dr. Biswajit Mitra
Asso. Prof. of Geography, G.M. &
Sri Dipankar Mondal, Head Clerk, G.M.
Organizing Committee Members
All Teaching & Non-teaching staff of
Lab. Based Depts.
Students Coordinator
Sri Ranjan Paul, Asst. Prof. of Botany &
Sri Kartick Chandra Saha, Asst. Prof. of Physics
Technical Assistance
Dr. Saurabh Sarkar, Sri Ankit Kumar Bhagat,
Dr. Monoj Das, Sri B.N. Adhikari &
Sri Basudeb Mukherjee
Event-wise Coordinator
Model Exhibition:
Dr. Madhumita Bhattacharya, Dr. Pialee Roy &
Sri Partha Sarathi Ghosh
Poster Presentation:
Dr. Kanika Saha & Dr. Monoj Das &
Sri Uday Chand Meete
Photography:
Dr. Biswajit Mitra & Sri Kunal Murmu
Quiz:
Sri Sumantra Chanda, Dr. Banashree Ghosh,
Sri Diptiman De & Sri Ankit Kumar Bhagat
Debate:
Sri Taraknath Dutta, Dr. Bholanath Sarkar

WORLD LABORATORY DAY
(23rd April)
Organized by all the Science Departments & IQAC of
Gushkara Mahavidyalaya, West Bengal, India
Observed on 05.05.2022 & 06.05.2022
Time: 11.00 a.m. to 3.00 p.m.
Venue: Gushkara Mahavidyalaya

The day human has evolved on this earth, they start resolving
the mystery of their never ending onward journey from a tiny
unicellular animal to a big giant. This is the uniqueness of human
who always questions, and then to find out the answer, they experiment
their ideas and thoughts in systematic and scientific way
in artificial or natural station- the laboratory.

What if mom has a lot of veggies in front of her with some
outstanding recipes in her mind but has no kitchen! – a delicious
plate of dinner will never be come out. Exactly the same way if
scientists have their ideas but no place to try it out, then the
advancement of science, growth of knowledge and progress of society will stop. About 80% of therapeutic choices are affected by
lab test and even the vaccine which helped all of us to enjoy a healthy life is the result of laboratory experiment, trial and in-
effect strategy. To honour all those laboratories, the results of those laboratories which are now a blessing for mankind, to give
thanks to all those failed experiments and of course to the struggling and successful researchers, the young students who are
dreaming to be a researcher, to motivate all those sparkling faces, we are going to meet together and to celebrate the World
Laboratory Day with jubilation on 5th & 6th May, 2022.

Definitely this celebration will become a fair, a togetherness of
interdepartmental students where different ideas will meet up.
Moment when a physics student will talk about black-hole
theory, a big bang theory will surely hammer back on the mind of
a biology-student, when a chemist-student will talk about how
they prepare formulation of organic substances, a biologist
student then and there can understand why such formulation is
the base of pharmacology. The meeting of two personalities is
like the contact of two chemical substances, if there is any
reaction, both are transformed- and we are looking for that
transformation to occur through this science fair.

The impact of the coming week will not remain as a simple
departmental meet up but it will have a long term impression on
the students of undergraduate level, high-school level and also
who are actively in attach with research and Science. May be the

PROGRAMME OUTLINE
DAY – 1 (05.05.2022)
11:00 a.m. - Inaugural Session:
• Inauguration and Keynote address: Prof. (Dr.) Nimai
Chandra Saha, Vice-Chancellor, B.U.
• Guest of Honour: Mr. Abhadananda Thandar, M.L.A.,
Ausgram
• Chief Guest: Dr. Sujit Kumar Chowdhury, Registrar, B.U.
• Honourable Guest: Dr. Arijit Chatterjee, Assistant Director,
Lifelong Learning & Engineer-in-Charge, B.U.
• Special Guest: Mr. Kushal Mukherjee, Chairman, Guskara
Municipality
12:00 Noon - Seminar Lectures by:
(i) Prof. Anindya Bose, Senior Scientific Officer B.U.
(ii) Prof. Debasis Ghosh, Dept. of Geography, C.U.
(iii) Prof. Sumanta Bhattacharya, Dept. of Chemistry, B.U.
(iv) Science Model Exhibition (Gen. Sc.)
(v) Poster Presentation on Science in Daily Life
(vi) Photo Gallery on General Science

DAY – 2 (06.05.2022)
11:00 - Introductory Session:
• Chief Guest: Prof. (Dr.) Sripati Mukhopadhyay, President,
Governing Body, G.M.
12:00 - Technical Session:
• Seminar Lecture by:
(i) Prof. Kushik Ghosh, Dept. of Zoology, B.U.
(ii) Quiz on General Science
• Debate Competition on “Laboratory is Institution Based”
• Hands of Training / Laboratory Visit
GENERAL RULES FOR PARTICIPANTS FROM SCHOOL
(For 05.05.2022 & 06.05.2022)

1. Maximum number of participants from each school will be 10.

2. There may be a team consisting of maximum two members for each events.

3. A full-time permanent teacher from participating schools must lead their student participants.

4. All the participants from schools must bring their valid Identity cards issued by the institutional authorities. School students must appear with their specific school uniforms.

5. Display of any model with use of any sort of explosive inflammable or corrosive substances is strictly prohibited.

6. For the event of poster presentation, the poster size should be of should of 23" x 33" or size of 3’x2.5’ area, and for the event of photo presentation, photo size should be 8”x12”.

7. Every participant should bring their simple stationeries like pins, gums cello-tapes etc. for their own use.

8. No Entry Fees will be charged from any participating Institution or from participants.

9. For any queries please contact: 9476487144, 9563244255, 9475849915, 7001451825, 9434333644.
GENERAL RULES FOR COLLEGE STUDENTS
(For 05.05.2022 & 06.05.2022)

1. Maximum number of participants from each department will be 10.

2. There may be a team consisting of maximum two members for each event.

3. Participants have to enroll his/her name to their respective departments.

4. Display of any model making use of any sort of explosive inflammable or corrosive substances is strictly prohibited.

5. For the event of poster presentation, the poster size should be of 23” x 33” or size of 3’x2.5’ area, and for the event of photo presentation photo size should be 8”x12”.

6. Every participant should bring their simple stationeries like pins, gums cello-tapes etc. for their own use.

7. No entry fees will be charged from any participating institution or from participants.

8. For any queries please contact: 9476487144, 9563244255, 9475849915, 7001451825, 9434333644
